Hi Whip,

Am sending along what I found, plus some handouts from the library and forms for Allen County records if you want to request any beforehand or have them ready to take in when you get here. If I manage to sneak back to the library and find anything else, will let you know.

I blew up the census pictures on the copier, but the headings are still miniscule; so I enclosed blank census forms that you can actually read. ☺

Gotta' run out and pop this in the mail before the holiday, or it'll take forever to get there.

Description:

This database is an index to the head of households enumerated in the 1910 United States Federal Census, the Thirteenth census of the United States. In addition, actual images of the 1910 Federal Census, copied from the National Archives and Records Administration microfilm, T624, 1784 rolls may be browsed by selecting a state, county, township, and enumeration

district.

Enumerators of the 1910 census were instructed to record the names of every person in the household. Enumerators were asked to include the following categories in the census: name; relationship to head of family; age at last birthday; sex; color or race; whether single, married, widowed, or divorced; number of years of present marriage; number of children born; number of children now living; birthplace; mother tongue; birthplace of father and mother; mother tongue of father and mother; year of immigration to the U.S.; whether naturalized or alien; whether able to speak English, or if not, give language spoken; trade or profession; industry; whether employer, employee, or working on own account; if an employee, whether out of work on April 15, 1910; if an employee, number of weeks out of work during year 1909, whether able to read; whether able to write; attended school any time since September 1, 1909; home owned or rented; home owned free or mortgaged; farm or house; number of farm schedule; whether a survivor of the Union or Confederate Army or Navy; whether blind; whether deaf and dumb. The categories allowed Congress to determine persons residing in the United States for collection of taxes and the appropriation of seats in the House of Representatives.

Few, if any, records reveal as many details about individuals and families as do the U.S. Federal Censuses. The population schedules are successive "snapshots" of Americans that depict where and how they were living at particular periods in the past. Because of this, the census is often the best starting point for genealogical research after home sources have been exhausted.

Extended Description:

The United States was the first country to call for a regularly held census. The Constitution required that a census of all "Persons...excluding Indians not taxed" be performed to determine the collection of taxes and the appropriation of seats in the House of Representatives. The first nine censuses from 1790 to 1870 were organized under the United States Federal Court system. Each district was assigned a U.S. marshal who hired other marshals to administer the census. Governors were responsible for enumeration in territories.

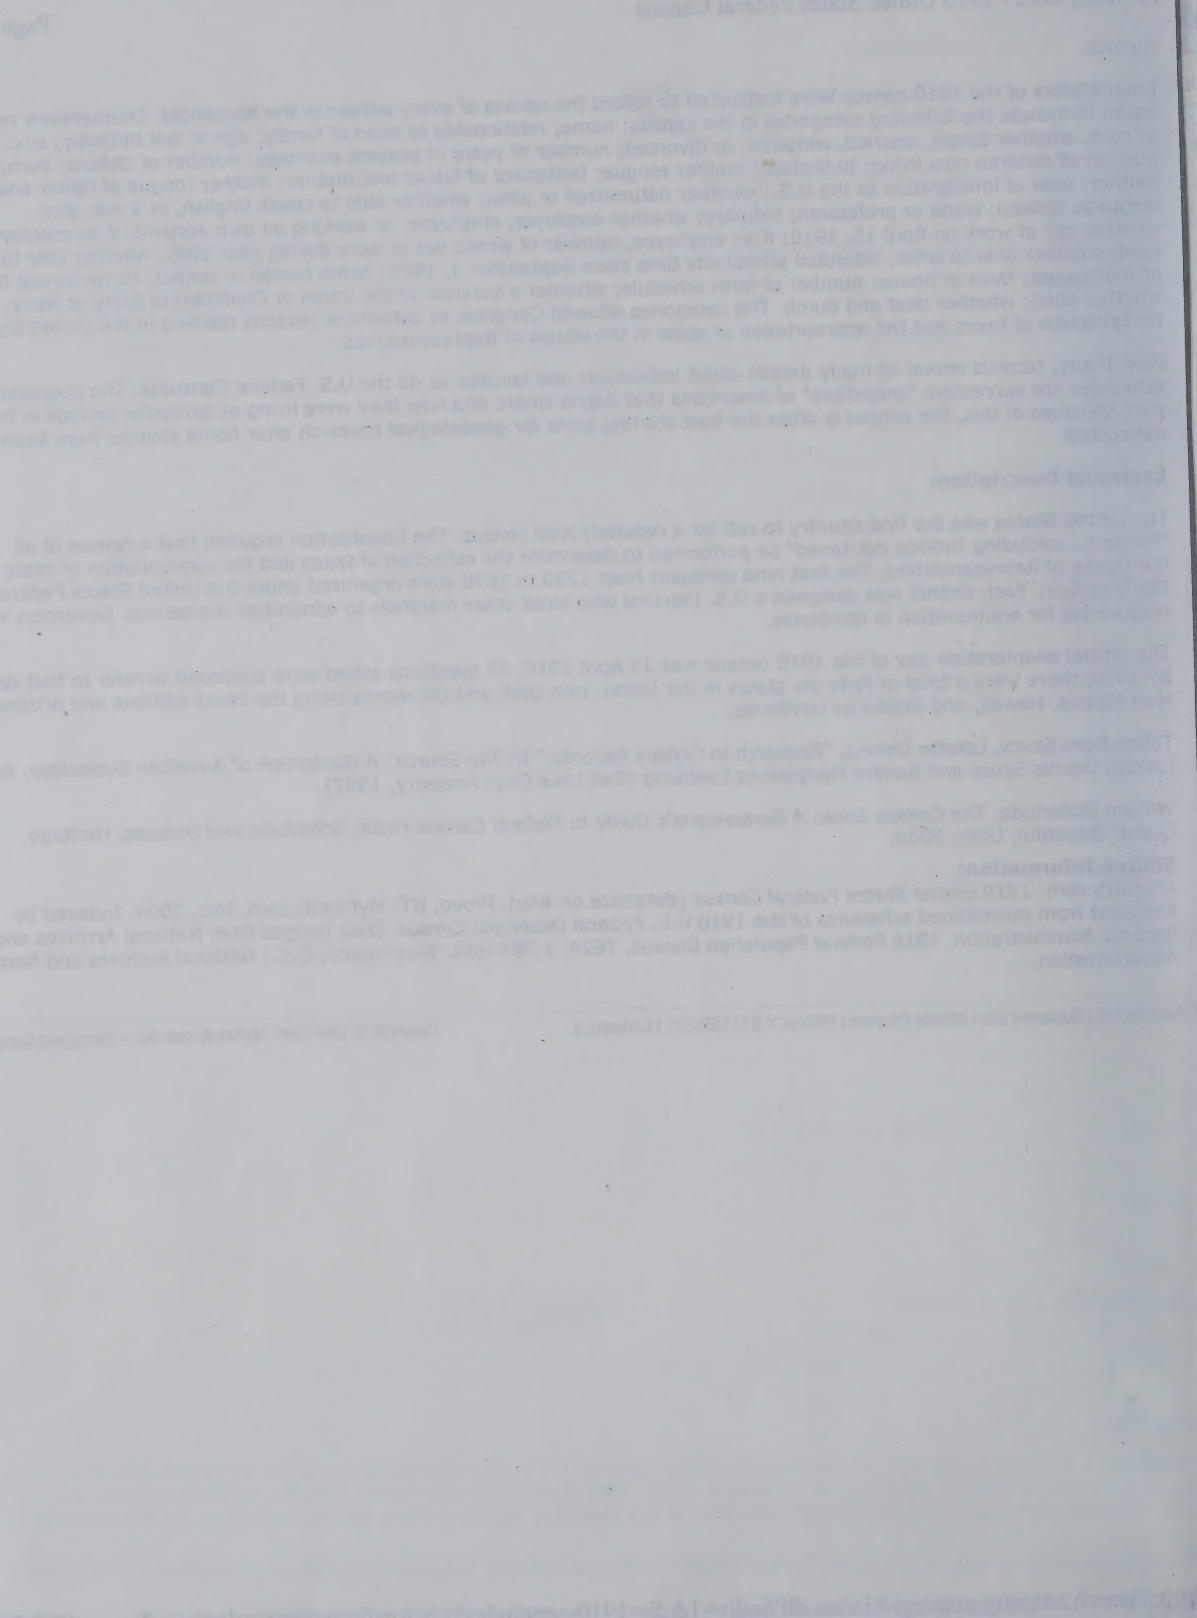

The official enumeration day of the 1910 census was 15 April 1910. All questions asked were supposed to refer to that date. By 1910, there were a total of forty-six states in the Union, with Utah and Oklahoma being the latest editions and Arizona, New Mexico, Hawaii, and Alaska as territories.

Hi Doil,

Man, was I ever exhausted after reading all those e-mails from Janet, Marsha, and Nancy. I wish them luck finding a date that suits everyone; I think it's virtually impossible to do. For now, I'm definitely going to lie low.

It turns out that Valetta is buried right beside Freida at Lindenwood. They are both directly behind Roy. Idone Skinkler, the daughter of Freida's sister Anna Ebert, is one plot away from the others. I guess that Valetta bought all the plots in 1938 when Freida died at the age of 57. My mother seemed to think Freida died in a car accident but wasn't sure. Since she died while my father was still in high school, my mother never knew her. Freida died 5/27/38. By the way, the digger for my father's plot was O'Dell Springer. When I come in June, I'll also get whatever info I can about Valetta. If you have any interest, you are welcome to go out to Lindenwood with me.

Glad to hear that the Dude is hanging in there; keep that chicken coming!

Again, keep me updated on your mom and please tell her I send my best regards. She's a great lady and I do mean lady.

Love, Whip

Krocker, Freida 2 FG 6/06/1938

Hi Whip!

Will try to keep this short so I can get it in the mail today.

The papers I'm sending are arranged by date, rather than people.

- 1900 - Clyde McBrien and his family were living in Fort Wayne
- 1906 - Clyde and Frieda were married
- 1908 - Valeta was born
- 1909 - Fort Wayne directory shows Clyde "removed to Petersburg, Fla."
- 1910 - Clyde and Frieda were living in Florida with Valeta
- 1913 - Your grandfather was hit in the face by an Italian co-worker
- 1914 - The family was back in Fort Wayne, and Clyde had ads in the newspaper for cement work
- 1917 - Frieda sued for divorce, citing lack of support
- 1917 - In the meantime, Hogan Ivey was in New Jersey, according to his WWI Draft Registration
- 1918 - Clyde was living in Ohio, according to his WWI Draft Registration
- 1920 - Clyde, single, and is back in Florida
- 1930 - Clyde has remarried, has more children, and is still in Florida

The interesting thing is that in 1910, Valeta was living with Clyde and Frieda in Florida. But in 1920, she's not listed as living with either one. The 1920 census I sent before showing Frieda living with Roy in Fort Wayne also shows the Frieda's parents--and Valeta isn't with them either... I asked the head of the Genealogy Dept. to look at the spelling of her name in 1910 (he's also been the President of the National Genealogy Society); and neither of us can figure out what name the census-taker wrote. ☺ Misspellings are common, but that one takes the cake.

I told Karen (KMarkey14@aol.com) what I had found and heard back from her. Her sister had spoken to their father, and he does remember Valeta. Karen's parents married in 1943, so he would've heard about her after that. I asked her to see if he could remember where Valeta was living, if she married in Florida, or if she had children. He might be the best lead.

The reason I sent the draft registration form for Hogan Ivey is that I think he could be your man. The 1920 census showing Frieda and Roy says Roy's father was born in Tennessee. Hogan Ivey was born in Tennessee in 1890 and was close to Frieda's age. In 1917 he was in New Jersey and unemployed, so may have been staying in Fort Wayne and working his way home to Tennessee when he and Frieda met. If you send for their marriage record from Allen County, that might have more information. The one's I've gotten from Chicago show ages on the license.

Hogan Ivey and where he went after leaving town is just as much a puzzle as Valeta's life. But we may be closing in on Valeta, and Hogan will turn up somewhere, too. ☺

Did Frieda and her parents pass away in Fort Wayne? Realized I don't know Frieda's birth or death dates and didn't see them listed anywhere here. I did notice that Albert and Marie came over in 1896, and that Albert was naturalized in 1917. Allen County should have a record of his naturalization papers, if you want to know where they came from in Germany.

Time's running short—gotta' get to the post office and "out to lunch" once again, so will close.

We Have *Men of Letters*

By JOHN DOLAN

The Lettermen's Club is an organization of all those who have received "letters" in football, basketball, track, swimming, or for being senior student manager of the football, basketball, or track teams. This club has the most select membership of any club in the school. To become a member requires long hours of endeavor, but once one obtains this high honor, he will find nothing to compare with it.

Miss Julia Storr and Mr. Everett Pennington are the able advisers of the club. Both have had much experience in this line of endeavor. The membership for the year of 1935 was composed of about forty husky lettermen. The officers of the club are: President, Rodney Ormiston; vice-president, Rip Poorman; and secretary-treasurer, Art Scott.

The Lettermen contributed rather heavily to the social life at our great school this year.

On Thursday, October 18, the Lettermen held a weiner bake at Franke Park. Art Scott, Fred Day, and Chuck Adams were in charge of arrangements.

The semi-annual Lettermen's Banquet was held on December 20 in the North Side cafeteria, the food being furnished by mothers of the "lettered" boys.

The club sponsored an evening dance after the North Side-Central basketball game. Bud Goldman's orchestra provided music for the most enjoyable evening of dancing.

On Saturday, February 16, the Lettermen entered an act in the G. A. A. Vod-Vil and placed

second in the judging. The act was a most comical burlesque of a country scene. Dave Bradley took the part of the Count, Gerald Lotz starred in the role of Queen, which Rip and Rog Poorman played the parts of King and Princess, respectively.

The North Side Lettermen and Alumni were guests at the annual Boosters' Dance given in honor of those boys who have earned this great award. Dick Schack's orchestra provided the music for the dancing. The Lettermen received bound notebooks with a gold "N. S. '35" on the front cover.

The outstanding event on the social calendar, was the holding of a private dance by the club for the first time in the history of the school. The dance was open to Lettermen and their lady-friends only. Music was provided by a Capehart recording machine. Refreshments, the most enjoyable part of any social function, consisted of ice cream and cake.

They will conclude their social calendar with a picnic in celebration of the end of the school term and as a final chance for the boys to get together again.

At the summer picnic the boys will hold initiation of the new lettermen who are chosen from among the many track stars on our team. Have a good time, boys; but don't fail to return to North Side; we should miss you if you were not here. To greater athletic achievements and toward better social achievements we boost you with all our efforts.

held. Second place was taken by Don Leuenberger with 14 points. He swam the 110-yard free style, the 40-yard free and the 40-yard backstroke.

Sports also are a lure for the girls. The following girls received their 1937 numerals: Anita Aumann, Ann Bartholomew, Mary Beaty, Bertha Bennet, Helen Dustman, Jerry Getz, Helen Lee Pletcher, Helen Brudi, Pauline Koelinger, Betty Nichols, Mary Jane Snook, Katherine Oury, Dorothy Peters, Mary Alice Walker, and Ruth Williamson.

Scholarship is prevalent in this class. Those who gained the honor roll during the fall semester are: Beatrice Andrews, Marjorie Aubrey, Anita Aumann, Ann Bartholomew, Robert Baumgartner, Bertha Bennet, Donald Berning, Helen Lee Pletcher, Elsie Mae Boese, Betty Pond, Esther Borache, Mary Jane Bux, Anna Marjory Fell, Betty Greer, Georgia Lee Hain, Betty Herrod, Wendell Johnson, Bonnie Kaade, Betty Jane Lopshire, James Mullendore, Stanley Needham, Harry Rummel, Dorothy Smith, Helen Thieme, John Walley, and George Welker.

Eighteen boys and seven girls from the sophomore class made the mid-term spring honor roll. The list follows: Beatrice Andrews, Anita Aumann, Ann Bartholomew, Bob Baumgartner, Donald Berning, Elsie Mae Boese, Esther Bracht, Mary Jane Bux, Ellen Carlson, Helen Coil, Katherine Oury, Anna Margaret Fett, Theodosia Field, Fred Firestone, Helen Imbody, Clarence Lopez, James Mullendore, Stanley Munger, Doris Nichols, Viola Prochal, John Walley, and George Welker.

A May Pole tea dance was given by the Sophomore class on May 3. This was the last tea dance of the year. Bud Goldman's orchestra furnished the music, and dancing lasted from 3:30 to 11 o'clock. The chairmen for the dance were Helen Brudi, entertainment, assisted by Ann Bartholomew; John Walley, publicity, with Bob Schrock; Bob Poffenberger, Wendell Johnson, and James Schroeder as helpers. Helen Lee Pletcher was in charge of the decorations.

Miss Julia Storr and Mr. J. Robert Sinks assisted with the plans. A specialty dance was given by Norma Rae Woolever.

Tracking The Tracksters

By ARTHUR FRUECHTENICHT

This season Rollie Chambers, the track coach, turned out one of the most powerful and successful track teams ever produced by North Side. After holding practice all through the winter months, Coach Chambers developed a quantity of new material which was added to last year's underclass varsity members.

The North Side track season was officially opened on March 23 when North Side participated in the Gary Relays. North Side won fourth place in this meet with a total of 19 points though the Redskins were up against the toughest competition in the state. Eugene Hathaway won second place in the low hurdles; McMeen won first place in the 440-yard dash, and Rog Poorman earned fourth place; Ivey tied for third place in the high jump; Lotz placed second in the shot put, and the North Side relay teams took second and third positions in the two relays.

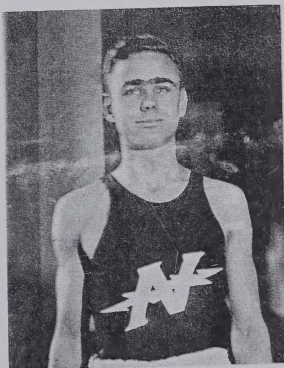

On the following week-end the North Side track team participated in the annual state indoor track meet. In this, North Side obtained ten points due to the winning runs of Rog Poorman in the 440-yard dash, Hathaway's second and third

in the high and low hurdle races, Ivey's tie for fourth place in the high jump, and the winning of third place by the relay team.

The next meet was staged at the North track with North Side being host to Auburn and Huntington high schools. North Side took in this meet with 71 points, while Auburn came in second with 25 points and Huntington with 20 points. Hathaway won first place in the hurdle races, running the high hurdles in

an excellent time of 18 seconds. Thomas won first in the mile race as did R. Ormiston in the 220-yard dash. Grand slams were scored in the mile and half-mile races. Rog Poorman taking first in the 880-yard run. Rip Poorman took first in the broad jump and took number one position in the high jump. The mile and half-mile relays were also added to North Side's laurels.

On the next week-end the North Side track team traveled to Elmhurst for a dual meet. The North Side team won by the unanimous score of 76½ to 32½. Grand slams were scored in three events: 880-yard run, the mile run and the high hurdles. Thomas won

The mile and half-mile relays were also added to North Side's laurels.

On the next week-end the Red skin track team traveled to Elkhart for a dual meet. The North Side thinly clad won by the uneven score of 76½ to 32½. Grand slams were scored in three events, the 880-yard run, the mile run, and the high hurdles. Thomas won the

mile run, and, as usual, Hathaway won firsts in both hurdle races. Other firsts were: Ormiston, 100 and 220-yard dashes; VanWormer, 880-yard run; Shumm, shot put; Rip Poorman, broad jump; Ivey, high jump, and the mile relay.

The strength of the track team was proven the following week when North Side was host to Kokomo High School, which had one of the strongest track teams in the state. The northern tracksters fared exceptionally well in this meet, although they met with defeat. Kokomo took first in all the dashes and running events, but North Side took enough seconds and thirds, plus firsts in the field events, to make the meet interesting till the finish. Hathaway again took both the firsts in the hurdle events; Shumm took first in the shot put; Rip Poorman placed first in the broad jump; Ivey took first in the high jump. The final score of the meet was Kokomo 64 as compared with North Side's 50.

The next important meet in which the North Side thinly clad participated was the Kokomo relays in which they placed fifth with a total of 14¼ points. In this meet the track team was seriously handicapped due to the absence of Allen McMeen, who because of an appendix operation was unable to gain points for the team and was out of action for the remainder of the season. Hathaway again added to his laurels in the hurdles by placing second in the low hurdles and fifth in the high hurdles. Lotz and Schumm took second and fifth place respectively in the shot put and Ivey again was among the first five in the high jump. The medley relay team came in third while the middle distance relay team gained fifth position.

North Side won the Sectional Track meet held at the South Side stadium Saturday, May 11, by aggregating a total of 40 points. Two new records were established in the meet. A new record of 16.2 seconds made by Eugene Hathaway of North Side in the high hurdles supplanted the former record of 16.5 seconds held by Babbs of Central, Williams of Auburn, and Sessler of North Side. A new record of 3 minutes 32.5 seconds in the mile relay was established by North Side.

Eugene Hathaway gave a most outstanding performance in the tourney meet. He set a new record in the high hurdle event and then ran the low hurdles in the fast time of 27.1 seconds to take two first places and ten points for the Redskins. Fine work, Gene, and congratulations!

Thomas of North Side ran the mile event in the fast time of 4 minutes 43.5 seconds to win a first. Ivey of North Side was accompanied by "Lady Luck" in the pole vault, for, after tying with Williams of Auburn and Traster of Garrett for the first place, he won the toss-up to decide who should be entered in the state meet. Shumm placed second in the shot put to qualify, while Lotz, an inch or so shorter, failed to qualify but took a third. In the 440-yard event Ormiston ran a 53.3 second quarter to take the first place, and Rip Poorman won second place in the broad jump to qualify. All in all, North Side entered ten men in the State Track and Field Meet held at Butler Field House in Indianapolis.

In order that the N. E. I. C. Track and Field Meet might be held Tuesday night, May 14, Gene Hathaway was conceded the first place in the high and low hurdles events and North Side received the ten conceded points.

In this meet the track team was seriously handicapped due to the absence of Allen McMeen, who because of an appendix operation was unable to gain points for the team and was out of action for the remainder of the season. THIS CLUB 4C'S THE FUTURE MAN

By JIM JACKSON

The Redskin Hi-Y Club, organized for the purpose of creating, maintaining, and extending high standards of Christian character in both the school and community, is a club operated exclusively for North Side boys. The ideal embodied in the Hi-Y movement is best expressed, perhaps, in the planks of its platform. What finer motive can there be than to instill into the character of young men the fundamentals of clean speech, clean sports, clean scholarship, and, lastly, clean living.

The activities of the club, all directed toward the above motive, consist of social functions, business meetings, discussions, trips to points of interest, moral campaigns, and various other types of programs. The weekly meetings are held every Thursday evening at the Y. M. C. A. Some of the activities of the 1936-37 season are as follows: Speeches were made by Mr. Thomas of the North Side faculty on chemistry, Mr. Michaud on the State Parks of Indiana, and Judge Leonard on the principles embodied in the Y. M. C. A. Other addresses to the boys' group were given by Mr. Russel Earle, the Rev. Frederick Grotzema, and Mr. Clifford Sprunger of the Y. M. C. A.

A joint potluck with the Central and South Side chapters was held, and featured a talk by Mr. Allen Lomont, state representative. On March 17, the club sponsored the 4 C's campaign at North Side. The campaign, inaugurated by an assembly at which the Rev. Paul Krauss gave an inspirational talk, was a marvelous success. Dick Larsen, Art Schroeder, and Harry Rummel participated in this assembly.

On April 18, the Hi-Y's of the city and the Polar-Y's went to Plymouth Church in a body. The formal initiation of the group was held on April 8. Activities which influenced more individually were the organization of a basketball squad, group swimming, and other sport affairs. The basketball team, which won the Christmas

vacation tourney, was composed of Ralph Meyer, Wendell Johnson, Art Schroeder, Oscar Branson, Paul Thieme, and Bob Rupel.

Donald Berning was the delegate to the International Hi-Y Conference at Berea College, Kentucky.

So much for the social activities of this truly active organization.

Administration of the club was placed in the hands of Mr. Dave Hartley and Mr. Leslie Reeves, popular faculty advisers, and Vic Kowalczyk and Art Schroeder, respective presidents of the club for the two semesters. Mr. Mosher and Mr. Pennington were former advisers. Other officers were: First semester, Donald Berning, vice-president and chairman of the social committee; Jim Adams, treasurer; and Dick Larson, secretary; second semester: Dick Larsen, vice-president; Clark Waterfall, secretary; Jim Stahn, treasurer; and Harold Rahe, chairman of the program committee. These officers and advisers served very capably and were responsible for much of the interesting program of the group.

Enough for Hi-Y. Need it be said that this club, composed as it is, of a worthy membership and capable advisorship, plays an important role in the school life of many a Redskin boy. It is an organization of service, and succeeds in its ideals.

SEE MY "N"?

By JIM YOUNG

The organization that was formed to honor the athletes of North Side is called the Lettermen's Club.

The officers for this year were Doyle Kilty, president; Warren Miller, vice-president; Norman Foster, secretary and treasurer. They were aided by Miss Julia Storr, Rolla Chambers, and Hyrle Ivy, the faculty advisers.

The highlight of each year is the Lettermen-Alumni banquet, which is held in honor of the alumni lettermen. All the lettermen from the time

University, acted as toastmaster at this year's banquet in December. Harry told some of his experiences while at North Side and then introduced the speakers of the evening. They included Mr. Merle J. Abbott, Mr. Northrop, Mr. Nulf, Mr. Chambers, Mr. Reeves, and Bill Borgmann. The program then followed with impromptu talks by alumni. The banquet then broke up after pictures of track meets and football games taken by Mr. Northrop were shown.

The funds to provide for the banquet were raised through a dance after the first North Side-Central basketball game.

The lettermen presented a talking picture in the auditorium for the student body. The pictures consisted of the 1936 Olympic games in Berlin, an animated cartoon, and two reels of other interesting things.

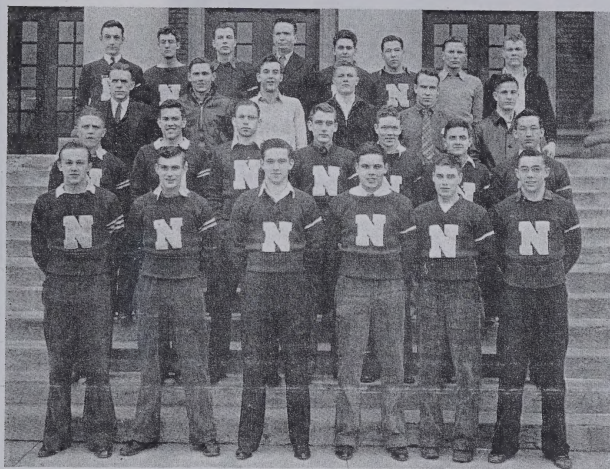

The lettermen were honored April 9 with a dance given by the Booster Club. Each letterman and his date was invited and all had a wonderful time.

At the present time there are thirty-eight lettermen in North Side. Twenty-five of these lettermen are seniors and will graduate in June. This leaves only thirteen lettermen to carry on the athletic traditions at North Side next fall.

Letters and sweaters were awarded to nineteen football players after their successful campaign, and ten players of the basketball squad received awards.

The Lettermen's Club was one of the earliest organizations to be formed at North Side, and since has

functioned actively. The names of many capable athletes, some of national importance and fame, are listed on the club roster. The membership, strictly honorary, is limited and exclusive, for only those boys active in the three types of athletic participation, with due award, can become members. Serving as ushers at games, participating in extra-curricular activities, and performing other kinds of service, this organization is indicative of the clean, helpful, sportsmanlike attitude of North Side athletes.

the school opened to the present school year are invited to be the guests of the lettermen that have not graduated. The food is not surpassed by any at the other banquets of the school, but the food is not the big reason for the alumni attending the affair. The big reason is the feeling the alumni get when they return to their "Alma Mammy" to greet old friends they had not seen since they had graduated.

GONE WITH THE WIND

By BOB FOELLINGER

The Red and White track squad faced the opening of the 1937 season with a well balanced team which was particularly strong in certain events. Although the call was not sounded until January 15, the team was in excellent shape for its first meet on April 3.

Roy Ivey was a high jumper and broad jumper of the first water. The sprints were well taken care of by Allen McMeen and Don Ormiston.

The half mile was led by Oscar Branson, Bill Adams, and Harlan Lee. In the mile, Boyd Blake headed the list seconded by Herm Friedrich and Jack Herber.

In the hurdles Don Firestine, John Beams, John Morris, Doyle Kilty, Roy Flickinger, and Jim Mullendore performed well.

In the field events, other than those already mentioned, we find the pole vault handled nicely by Bob Poffenberger. Doyle Kilty broad jumped and high jumped.

In the relays, these men represented the team: John Morris, K. Green, Dick Fruechtenicht, Don Ormiston, Al McMeen, Jim Mullendore, Ray Flickinger, Boyd Blake, Jim Stahn, and Oscar

Branson. In the shot-put Ellsworth Klopfenstein and Dick Regedanz performed very well.

The credit for the presentation of this strong aggregation goes to Coach Rolla Chambers, who has worked untiringly to develop men and produce high-calibre track teams.

The season opened April 3, against Culver Military Academy. This meet turned out to be one of the most exciting of the season, North Side winning by the score of 55 to 54.

The Gary Invitational Meet, at Notre Dame fieldhouse, in which about fifteen teams performed, was the next event for the Red and White. Although we did not win this meet, the boys received second place, being beaten to the tune of 43½ (Horace Mann of Gary) to 38. It was in this meet that Al McMeen pulled a tendon in his leg which caused him to be laid up for three weeks.

The Gary Three-Way Meet came on April 17 at Gary. The three teams were Gary, Mishawaka, and North Side. The Redskins were again victors, the teams having received 42, 42, 49 points respectively.

On Saturday, April 24, the team went to the

Muncie Relays. During this meet Roy Ivey set a new high jump record at 6 feet, $\frac{1}{2}$ inch. The team received third place in this meet, being beaten by Horace Mann of Gary (25 points) and Kokomo (22 points) and North Side received 20 points.

The next Saturday the boys went to the Kokomo Relays. After this meet the varsity had its first meet at home; the North Eastern Indiana Conference meet which was held under the lights on May 7. The next meet, the Sectional, was also held at North Side on May 14. On May 22 the one meet that all high schools look forward to—the State Meet at Indianapolis. On May 27 the Redskins again engaged in the City meet which was held on our own “stamping grounds.”

This year, for the first time Coach Chambers organized a “B” team; that is, a team composed mostly of underclassmen who show signs of possibilities of making the varsity in future years. Their first meet was with Garrett High School. The team made a fine showing despite their inexperience and won over the Garrett varsity 66-47. Their second meet was with Columbia City.

Looking over the team for next year we may see a comfortable allotment of strength prevails in most events and the numerous candidates for all events renders certain the fact that outstanding performers will appear under the eagle eye of Coach Chambers to whom all credit is due for the rapid rise of North Side prestige in this section of the country in field and track.

After a dethronement of one year, North Side's fast-treading tracksters regained the Northeastern Indiana Conference track and field championship in one of the most overwhelming victories in re-

cent years. Not only did they grab ten of the thirteen first places but the only meet record broken was done so by none other than Al McMeen, star dashman for four years. He broke his own mark in the 440-yard dash, running it in 50.1 with his leg taped from knee to hip because of recent injury.

Roy Ivey, the other four year man on the Red and White team, more than did his part by taking first places in both the jumps, broad and high, with Doyle Kilty seconding him in each event.

Don Ormiston, another Red dashman, captured both the dashes in fast times followed closely each time by Frazell of South Side. Jim Mullendore, while running nicely, could do no better than second in either of the hurdles. In the two remaining field events North Side captured a first, a third, and a fifth, the blue ribbon going to Bob Poffenberger in the pole vault, while the other two places were taken by Klopfenstein and Regedanz respectively in the shotput.

In the distance runs the Indians again proved their metal by taking the two places in the mile jaunt and first and fourth in the half. Friederich and Blake dusted off all mile contenders by running almost a dead heat in the speedy time of 4:35.3, while Branson ran a plenty fast 880 in 2:02.2, with Leakey taking fourth in that run.

The running, roaring, rampaging demons from the North then concluded an already profitable and enjoyable evening by polishing off all contenders in both relays. This was done by Morris, McMeen, Fruechtenicht, and Adams in the mile relay and Ormiston, Fulkerson, Green, and Mullendore in the half mile.

First Row: Morris and Mullendore coming over a hurdle. Blake, Kemp, Branson, and Friederich at the start. Adams, Mullendore, Morris, and Ormiston on the home stretch.

Second Row: Coach Chambers figures it out. Ivey making six feet. Lee, Adams, McMeen, and Mullendore, the winning relay team.

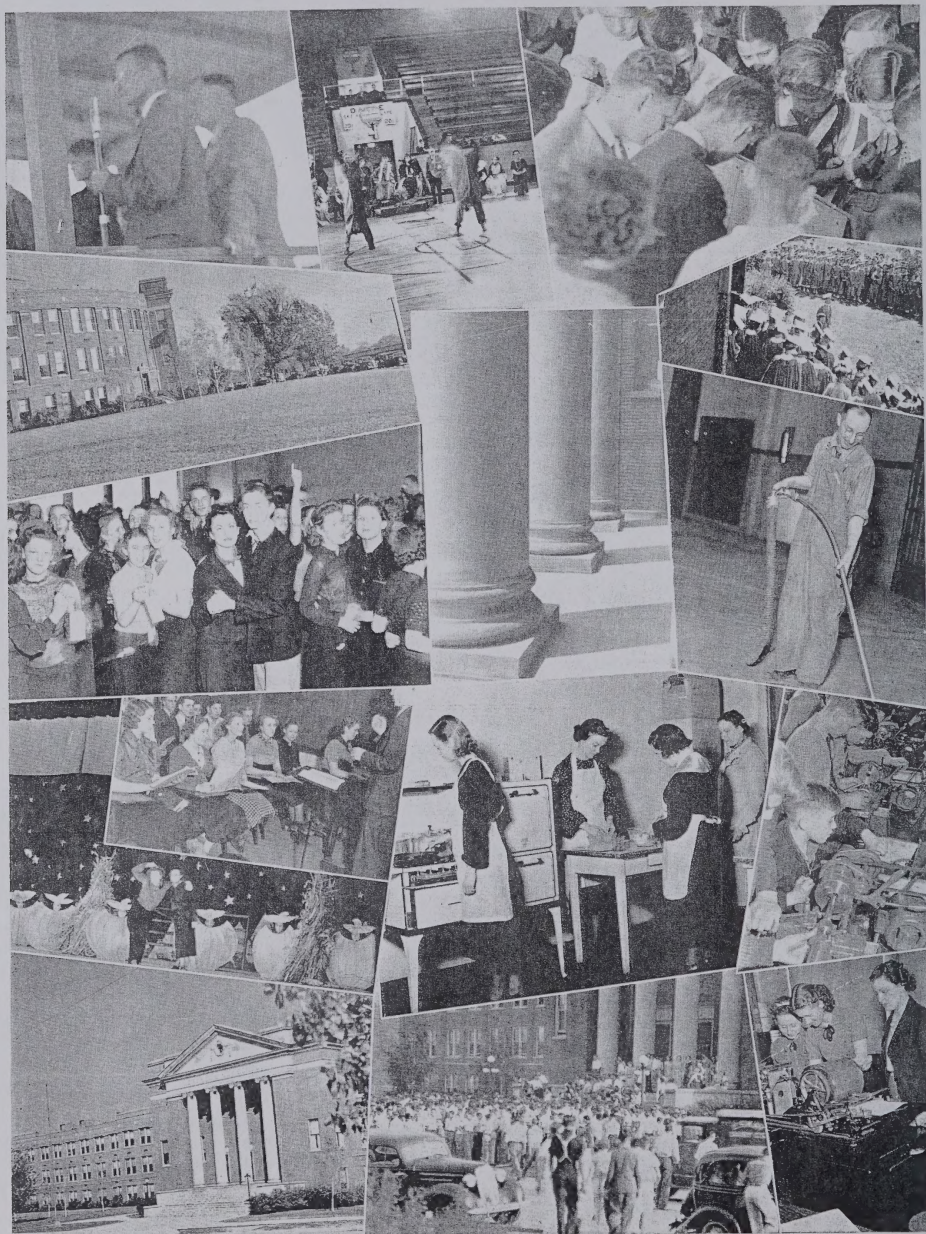

Upper left to lower right: The jumping-jack. Rollie Chambers and Roy Ivey. Look out below! Bush league battlers. At the state meet. How's the weather up there? Modern Adonis! Prospective ends. We got the crowd. Daughters of the Deep. Going down. Fighting men. One we won. Some fun, eh what? A gym class in action.

From top to bottom, first row: Loy Laney at the mike, with Dad Northrop listening in. As we see it in the fall or a "View From the Brewery." Where is George, Phyllis?, Sing high, sing low. Remember the Vod-vil? Isn't it a beautiful school?

Second Row: Teachers at play during Sectional Pep session. Pillars of knowledge. Fixing up the stew. A first day crowd.

Third Row: First day reading material. Planting the annual ivy. Cleaning his way around. Learning how. Eyster's playmates.

SUPPLY HOUSE IS IMPORTANT

RED CROSS SOCIETY HERE IS LAUDED BY MISS JOHNSON.

New Class in Hospital Supply Work Will Be Started Monday—Home Care of Sick.

"People in Fort Wayne should be proud that a Red Cross supply house has been established in their city," said Miss Mary Johnson, expert instructor from the Chicago Hospital Supply Institute, at local headquarters, in East Berry street, this morning. "It is what national headquarters, at Washington, wanted here for some time, and I hope it will continue." Even after the war is over, it will be a fine thing to have a supply house here for use in emergency cases, where doctors can obtain supplies speedily in case of necessity.

Mrs. Johnson emphasized her remarks by relating an experience of the Red Cross society in Chicago. She told how, during one of the coldest nights last winter, a gas leak caused an explosion in one of Chicago's biggest tenement houses, killing many and injuring scores of people. Red Cross nurses were called out and the doctors rushed to the Red Cross headquarters for supplies, necessary in the care of the injured persons. Had it not been for the fact that the supplies were obtained speedily from the Red Cross, many more of the victims of the disaster might have perished. "This is only one example of the importance of Red Cross supply houses," Miss Johnson said.

Credit Due Women. "Much credit is due the women in this city for starting the movement," Miss Johnson continued. "They have made many sacrifices and spent much of their time and efforts in the meritorious work, and they should be given the loyal support of every citizen."

The instructor was jubilant in the praise of the women in the hospital supply work, who are finishing their work today. "It is a splendid class and I am well pleased with them," she said.

Next week, the women who have been taking the instructions this week will assist Miss Johnson in teaching a new class which starts Monday. This class will consist of Mrs. A. E. Fauve, Mrs. H. C. Bruggeman, Mrs. William Griffin, Miss Catherine MacDougal, Miss Sadie Fleming, Miss Emma Ruode, Mrs. Hal Rehner, Mrs. Lipes Thieme, Mrs. Walter Shepard, Mrs. Frank Studor, Mrs. Halp McCre and Mrs. Herbert Groiner, of Goshen.

Address Is Postponed. Dr. E. J. McOscar, who was to address the class on the significance of the supplies which they are making, this morning found it would be impossible for him to talk today. His address has been postponed until next Friday at which time he will have in his audience the ladies of next week's class, as well as those who complete the course today.

Everything is now practically in readiness for the beginning of the home care of the sick classes next week. Quite a number of women have enrolled in the class. Instructions will be given by two local registered Red Cross nurses.

The night class in hospital supply work, which was formed this week, will continue their instructions next

MUNICIPAL NEWS

HOSEY WILL DO NOTHING

CLAIMS CITY SHOULD NOT HELP IN FOOD PRODUCTION.

Says Real Estate Men Should Be Forced to Plow Ground and Plant Gardens.

Mayor Hosey will do nothing officially towards having Fort Wayne join in the nation-wide movement to produce more crops by cultivating vacant lots, outlying additions, etc. The mayor claims it is not a portion of the municipality's activities to foster this sort of intensive production even in the face of war privations that have occasioned Governor Goodrich's appealing to all cities of the state to band together to make Indiana produce 100 per cent crops this year.

"It's all wrong, this thing of arguing that the city ought to plow up lands belonging to real estate boomers and turn it over to private parties to till so that more crops can be raised," the mayor said vigorously this morning. "The city has no business doing such things. There ought to be a way to force real estate boomers who control nearly all the vacant lands of the community to plow and till these lots until they are actually improved. That's what ought to do it. I'm against this thing of making savings banks of vacant city lots. The state has ruled that the city has the right to spend money plowing and planting, etc., because of the country's need. Then the city must have the right to make real estate dealers do the work."

Countless inquiries are being received daily at the city hall as to where plows and teams can be secured and as to whether or not the city stands ready to assist the worthy poor to get a start towards a garden. Several have proposed that the city finance the tilling of vacant spots, the amounts advanced to be returned after the crops are gathered, but to all these the mayor has turned a deaf ear, insisting that the job belongs to the real estate men.

TO CLOSE BRIDGE.

No Traffic on Wells Street From Monday On.

All Bloomingdale traffic must be diverted from Wells to the Clinton street bridge from Monday on, as Street Superintendent Strodel's men with the co-operation of the traction company's construction crews will lay a new bridge floor. Until the job is finished the bridge will be kept closed to all traffic.

"It's all wrong, this thing of arguing that the city ought to plow up lands belonging to real estate boomers and turn it over to private parties to till so that more crops can be raised," the mayor said vigorously this morning. "The city has no business doing such things. There ought to be a way to force real estate boomers who control nearly all the vacant lands of the community to plow and till these lots until they are actually improved. That's what they ought to do. I'm against this thing of making savings banks of vacant city lots. The state has ruled that the city has the right to spend money plowing and planting, etc., because of the country's need. Then the city must have the right to make real estate dealers do the work."

Countless inquiries are being received daily at the city hall as to where plows and teams can be secured and as to whether or not the city stands ready to assist the worthy poor to get a start towards a garden. Several have proposed that the city finance the tilling of vacant spots, the amounts advanced to be returned after the crops are gathered. But to all these the mayor has turned a deaf ear, insisting that the job belongs to the real estate men.

TO CLOSE BRIDGE.

No Traffic on Wells Street From Monday On.

All Bloomingdale traffic must be diverted from Wells to the Clinton street bridge from Monday on, as Street Superintendent Strodel's men with the co-operation of the traction company's construction crews will lay a new bridge floor. Until the job is finished the bridge will be kept closed to all traffic.

monies. Every land in Fort Wayne will take part in the parade.
As "Old Glory" is unfurled to the breeze at the traction station guns from Battery D will fire a salute, thus giving the signal which will start every church bell ringing and factory whistles tooting.

Mayor Hoesy will give a short talk at the flag raising ceremonies, but the principal address, it was decided this noon, will be made by Dr. Frank E. Jaynes, of Warsaw, Ind. He will speak on "The Battle of Lexington."
The flag raising will conclude the ceremonies for the afternoon. In the evening, it is being planned to have a number of patriotic speeches delivered at some place, centrally located, downtown. Definite announcement concerning the night program will be made later.

How the schools will observe the day was discussed at a meeting of the principals of the Fort Wayne schools Friday evening. A committee consisting of Professors F. M. Price, William Miles and the Misses Corr, McNeill and Foley, was named to arrange the details of a program to be given as a part of the patriotic celebration. A meeting of the committee will be held soon.

GIGANTIC LOAN TO ALLIES ASSURED

ed today two imminent developments—passage of the \$7,000,000,000 bond issue measure by the house and early assemblage of prominent allied leaders for consultation with American government heads.

The war money bill was slated to pass in mid-afternoon.

The arrival of the Allied commissioners is a question of only a few days at the most, though to conceal their movements from the Germans, the exact time is withheld.

The senate is expected to get quick action on the bill.

Congress now is beginning to fall in line. Coming to a realization that volunteering is contained in the administration army bill as well as the selective conscription idea, many are now acceding to administration pressure.

Predictions were today that the plan will pass.
Arrival of Balfour, Vivian, Joffre and other distinguished guides of Allied policies will mark inauguration of the most complete harmony between America and the Entente.

Chief among the purpose of the Allied visitors will be to counsel against the blunders that blocked the early progress of England and her associates. The Allies are particularly interested in the American plan to build a mammoth fleet of small wooden ships.

Lines Have Changed.
The lines on which the fighting in this entire front was waged all winter ran approximately from Loos to Lieuwim, to Angres, to a point east of Souchez, thence to Neuville St. Vaast, to Ecuries around the east outskirts of Arras to near Tilloy, thence down the railway line to Abbeville Le Grand and Pys, Thiepval and Contalmaison. There the line swept sharply eastward to around Hardecourt, then south again to Ablaincourt and west of Roye and Ribecourt.

POLICE COURT NEWS

GUILTY OF THREE OFFENSES

BEN MICHAELSON IS FINED FOR LENDING MONEY WITHOUT A LICENSE.

"Never-sweat" Lee Bobs Up in New Roll—Buzzard Roost Blossoms With Spring.

Found guilty of three charges, Ben Michaelson, Calhoun street shoe repairer and money lender, was this morning fined \$10 and costs. The fine was given on the charge of being a petty money lender without having taken out a license. On the charge of buying from a drunken man and with taking in goods in his pawn shop without reporting same to the police he was given an indefinite continuance.

Michaelson was shown to have taken a suit case full of clothing from an intoxicated man and to have advanced \$1 on it. When the man returned a week later to redeem it Michaelson charged him \$2. The extra dollar was, of course, for interest on the loan. Michaelson contended that he purchased the suit case for \$1 and sold it back to the owner for \$2, but the court saw it as a money lending transaction and fined him. In the same case it was shown that the man who pawned the suit case was drunk and Sergeant Rundell testified that no report of the transaction was made to the police.

"Never-sweat" Lee blossomed out in a new roll this morning, having been graduated from the ranks of the drunks into that of the thieves. He stole some boxes from the Schiefer shoe store on Columbus street and sold them. His fine was \$1 and costs, the charge being petty larceny. On the stand Lee tried to place the blame on old Bill Hicks, another city court character.

The case against Jacob Weber, for child neglect, was continued until April 17. That against Henry Lamber, a drunk, went over until April 16. That against Beale Cook, for disorderly conduct, will be tried on April 17. William McCullum, continuing from Friday on a petty larceny charge, was given a continuance until April 30.

Three fugitives were before the court. Nellie Ellett, wanted at Toledo for the theft of a coat, was ordered held until Monday. She was caught by Officers Welch, John Murray, wanted at Warsaw as a parole violator on a bootlegging charge, was ordered held until officers arrive. He was caught by Sergeant Pappert. Elan A. Smith, wanted at Rochester, Ind., was ordered held until late today when officers will come for him. He was caught by Pappert and Immel.
